INTRODUCTION

Hirenexus is a user-friendly hiring platform that connects employers and jobseekers in one reliable place. It simplifies applying, reviewing resumes, messaging, and arranging interviews so every step is clearer and faster. The product aims to make hiring more organized, fairer, and less stressful for both recruiters and candidates.

OBJECTIVES

- To Reduce time to hire.
- To Improve clarity for candidates.
- To Cut repetitive work for recruiters.
- To Surface better candidate matches.

PROBLEM DEFINITION

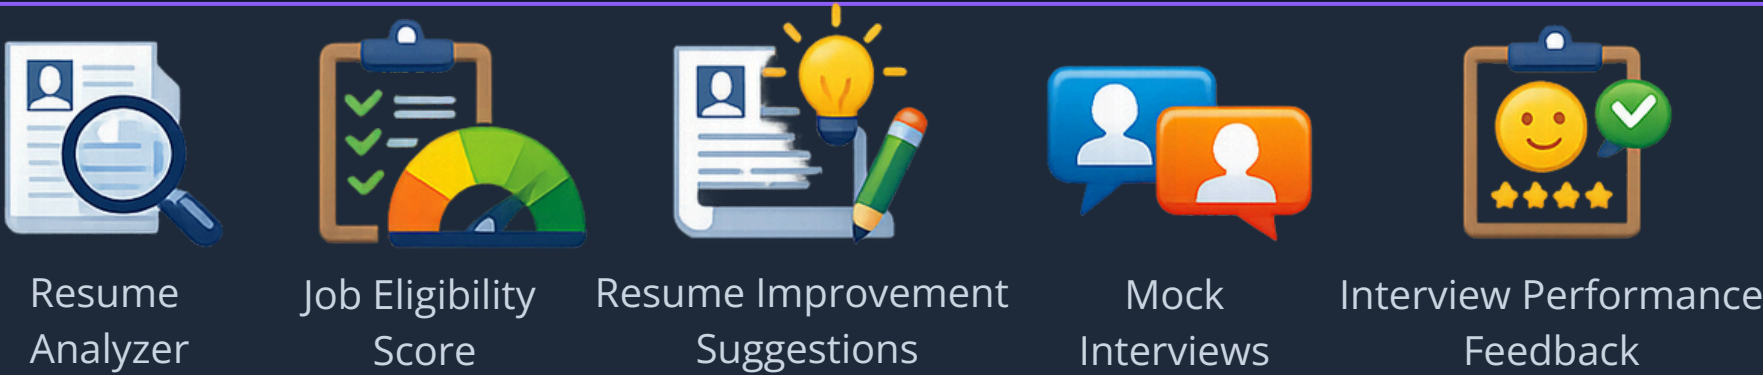

Problem: Recruiters face time-consuming manual screening and biased hiring, while candidates lack feedback and clarity on job eligibility.

Solution: HireNexus is an AI-powered platform that intelligently matches candidates to jobs, ranks resumes, and conducts AI-driven interviews to provide instant, objective insights and real-time feedback.

SCOPE

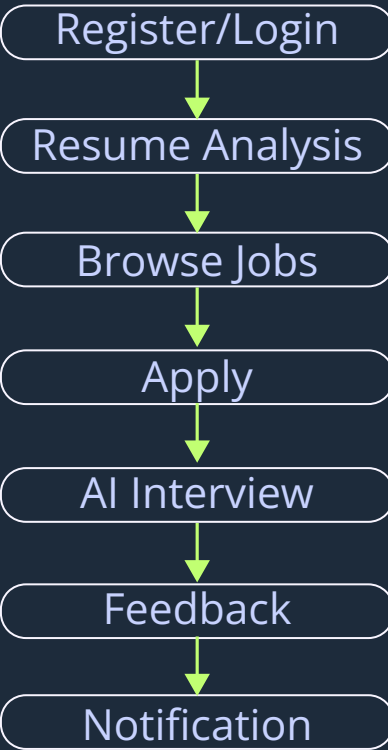

- Can Accept applications and resumes.
- Can Enable direct messaging.
- Can Schedule interviews with reminders.
- Can Highlight top candidates.
